# Metóda obrátenej triedy cez nearpod.com

The screenshot displays the Nearpod.com user interface. At the top left is the Nearpod logo. A search bar contains the text "All" and "Search by topic or standard". To the right of the search bar are buttons for "Create", "Quick Launch", and a user profile icon. A left-hand navigation menu includes sections for "Join a lesson" (with a "CODE..." input field), "MY MATERIALS" (with "My Lessons" selected), "Reports", "NEARPOD CONTENT" (with "Nearpod Library" selected), and "RESOURCES" (with "Teacher Resources" selected). The main content area is titled "Get started with Nearpod" and features four action cards: "Play with a demo", "Explore resources", "Build and edit" (highlighted with a green border), and "Engage students". Below this is a "My Lessons" section displaying a grid of lesson cards. The cards include: "EXPLORE THE NEARPOD LIBRARY", "10 najčastejších CHYB v ... Katarina Drapalova Sep 26, 2022 - 0MB" (with a thumbnail for "Chyby v slovenčine"), "Untitled Lesson Katarina Drapalova Sep 26, 2022 - 0MB" (marked "Unsaved"), and "Time for Wine Katarina Drapalova Jul 25, 2022 - 1MB" (with a thumbnail for "Wine Windows of Florence Italy!"). A "Microsoft Immersive Rea..." card is partially visible at the bottom left. A chat icon is located in the bottom right corner.
